Dedication

In Tribute to Jon F. Hartman

The yearbook staff of Great Bend High School would like to pay tribute to Jon F. Hartman by dedicating the 1969 Rhorea to him.

Mr. Hartman teaches Art I,II,III, and willingly contributes much time to the life of the school. The admiration that each of his students has for him inspires them toward higher and better goals. Mr. Hartman often finds time to individually help and encourage each of his students. His knowledge of and interest in his subject influence his students to work harder and to learn more about the varied fields of art. Mr. Hartman's students have been award winners in art contests that they have entered.

Supervising the painting of the scenery for the class plays and musical productions is one of Mr. Hartman's tasks. Much of his time and effort is spent each year working with the juniors in the planning of and the decorating for the Junior-Senior prom.

One of Mr. Hartman's favorite hobbies is collecting and studying Indian relics. His students have found that this collection has contributed toward interesting lectures and assignments.

Because of Mr. Hartman's special talents, the 1969 Rhorea Staff, in behalf of the entire school, would like to say thank you for the fine job he has done in undertaking these responsibilities. He has earned our devotion and respect, and he deserves much credit.

ADMINISTRATION AND FACULTY

Mr. Boley discusses with the school board the need of replacing the 13-year old band uniforms.

Board of Education Seeks to Improve School System

The problems of public education are numerous and varied. The need for sound financing of the local educational program has been recognized by the Board of Education, Mr. Swartz and Mr. Holman. In presenting a strong plea to the Governor, the State Legislature, and the state educational organizations, the school board is seeking legislation to provide state funds collected from taxes other than those on real and personal property, and to provide for at least 40 per cent of the local budget.

The Board of Education handles all nonadministrational duties of Unified School District 428. Along with financing and employing well-qualified personnel, they are continually seeking to improve the quality of teaching at all levels. The improvement of facilities, teaching materials, and new techniques in instruction, provide a full time job for the Board of Education.

The Unified District 428 board members include: Guy Gordon, treasurer, Mrs. Rene Wells, Victor Koelsch, Clyde Burnside, vice-president, James Heaton, president, Superintendent D.V. Swartz, Dr.

Charles Replogle, Dale Engleman, Assistant Superintendent Leon Holman, clerk of the Board of Education, and Robert Bates, attorney.

LEON M. HOLMAN - Assistant Superintendent of Schools - (B.S.) (M.S.) Kansas State Teachers College, Emporia, Kansas

D. V. SWARTZ - Superintendent of Schools - (A.B.) Southwestern College, Winfield, Kansas, (M.A.) University of Colorado, Boulder, Colorado

Superintendents Coordinate Educational System

D.V. Swartz, Superintendent of Schools, and Leon M. Holman, Assistant Superintendent of Schools, have numerous responsibilities and duties to perform concerning the school system. They work together and with the Board of Education in order to maintain and establish the best possible educational program and facilities for the residents of Unified School District 428.

Mr. Swartz and Mr. Holman are actively engaged in meetings throughout the year concerning administrative duties and policies. In February, 1969, they attended a convention of the American Association of School Administrators at Atlantic City. In October, 1968, Mr. Swartz was honored with a plaque as one of the past presidents of the Kansas Association of School Administrators. He was president of the Association in the year 1966.

Mr. Swartz and Mr. Holman maintain their offices at the Board of Education Building and meet with the school board once a month to discuss school issues.

Mr. Swartz and Mr. Holman confer daily on matters concerning the Unified School District 428.

Secretaries Vital to School Efficiency

Secretaries have a variety of duties to perform, clerical and business, to keep the school system functioning efficiently.

Three secretaries—Mrs. Mary Scott, Mrs. Vera Michaelis, and Mrs. Twylah Hollembeak—work in the administration office located at Jefferson School. Mrs. Martha Mettscher, Mrs. Alice McDonald, and Mrs. June Boxum are the secretaries at GBHS. Mrs. Mettscher and Mrs. McDonald work as secretaries to Mr. Halbower and Mr. Dryer, while Mrs. Boxum works as a secretary to the faculty.

Margaret Gunn, a student, works in the office during seventh hour and after school. She helps Mrs. Mettscher and Mrs. McDonald with bookkeeping and other clerical duties.

MRS. MARY SCOTT - Secretary, Administration office

MRS. VERA MICHAELIS - Secretary and Bookkeeper, Administration office

MRS. TWYLAH HOLLEMBEAK (ROY) - Secretary, Administration office

MRS. JUNE BOXUM (LLOYD) - Secretary to Teachers Graduate, Brown Mackie School of Business, Salina, Kansas

MRS. MARTHA METTSCHER (IVAN) - Secretary, Great Bend High School

Principals Keep Informed on Up-to-date Methods

Principal Don Halbower and Vice-Principal Cecil Dryer have the responsibility of maintaining the high educational standards of GBHS. In order to do this, they are continually trying to keep informed and to learn new and improved methods of educational programs.

This summer, Mr. Halbower attended a clinic in New York City, where new ideas for classroom procedure with the closed-circuit T.V. were discussed. Similar meetings throughout the year are attended by Mr. Halbower and Mr. Dryer so that the best possible education opportunities are available to the students and faculty of Great Bend High School.

CECIL DRYER - Vice-Principal - (B.S.) Kansas State Teachers College, Emporia, Kansas, (M.S.) Fort Hays State College, Hays, Kansas

Mr. Dryer takes time out from his busy schedule to extend a welcome hand to an unusual visitor.

Specialists Provide Important Services

Many special services are provided for the students by six important people.

Mrs. Edith Hayes, Director of Food Service of Unified School District 428, is the one responsible for the delicious and nutritious noon meals served daily. Mrs. Hayes plans each meal to be served to the students. This must be done carefully as she must meet the requirements set by the U. S. D. A. Mrs. Mildred Harders is the secretary who helps Mrs. Hayes with her many jobs including bookkeeping duties and calculations.

The School Nurse, Miss Florence Meister, is at the senior high school all day on Mondays and Fridays. On these days, Miss Meister has such duties as checking students' eyes and ears. She also tends to the numerous minor ailments incurred by the students during the day.

Mr. Ronald Cox is the instructor of the Special Education program. Mr. Cox aids students in the special development of skills.

The school psychologist, Mr. John Teeple, has his office at Jefferson School. Mr. Teeple provided evaluation and counseling for students and advice for teachers in the problems of mental health.

Aiding the students with the correction of speech problems, Mrs. Jola Gardner spends Wednesdays at Great Bend High School. Mrs. Gardner is available to any student who needs or wants speech therapy.

Counselors Work Closely with Students and Faculty

The guidance counselors of GBHS-Calvin Winter, Dale Carpenter, and Mrs. Helen Snell-work with the students in different areas which include educational, vocational, social, and personal counseling. As the counselors' objective is to help the students of GBHS develop realistic goals for their future, the counselors are willing to assist the students with any questions or problems they may encounter. The counselors also work closely with the faculty to establish a more profitable educational relationship between the teachers and students.

Two planned activities, Career Day and College Night, are examples of the effort of the guidance counselors to inform and prepare the students for their future. Through these two activities, the students receive valuable information and facts concerning future education and career opportunities.

Mrs. Treece, secretary of the guidance office, aids the counselors by performing clerical duties. She also assists the students in locating educational and occupational information, and distributes necessary materials for the national scholastic tests which are administered through the guidance office.

Establish Demonstration Library This Year

The Great Bend High School library is a demonstration library for the first year. This means that the library met national standards set for a school of approximately 1,000 students. Other area school librarians will be visiting the demonstration library to see how a library can be put to use.

Mr. Hinkson, coordinator of library services for all Great Bend schools, is the Dean of the Demonstration Library. Mr. McPhail and Mrs. Roberts, librarians, and Mrs. Yahne, clerical secretary, are always available when students need help. There are thirty-seven student assistants this year who are also an asset to the library.

With the new demonstration system and films, projectors, records, microfilm and tape recorders, GBHS students have valuable material at their disposal.

Student assistant Ginny Stewart helps before and after school in checking out books to Craig Haneke, John Mar and Diane Hunt.

Fine Arts Department Involves Work of Many

Great Bend High School is fortunate in having a capable Fine Arts Department. This department consists of vocal and instrumental music, and art.

The vocal department participates in competitions and programs throughout the year. The instrumental department not only presents entertaining concerts, but also boosts spirit at football and basketball games. The art department develops the students' creativity. Their fine works are displayed in a spring exhibit.

Students enrolled in the Fine Arts program develop an appreciation for all types of art and music which will benefit them in years ahead.

English Department Offers Vital Communication Skills

To gain skill in communication, both spoken and written, is the goal of the Language Arts program. At no time has the student found the need for an understanding and use of the language greater than it is today.

To meet these needs, the English department offers such courses as literature, composition, debate, speech, dramatics and journalism. In these classes Students get acquainted with both classical and contemporary literature, the fundamentals of grammar and the skills of debating, speaking and writing. Journalism students learn the techniques of compiling material for the newspaper reader.

Most of the members of the English department have done advanced studying on their subjects in order to keep up with the rapidly changing methods.

Mr. Young, English and debate teacher, works with his advanced debate class in preparation for the tournament in January.

Different subjects covered in homemaking which will help prepare the students are health, nutrition, home management, child care, and consumer education, as well as the basic cooking and sewing.

The courses offered at GBHS are Family Living and Homemaking I, II, and III.

The Industrial Arts offer experience to students in various industrial fields. These include several levels of mechanical drawing, woodworking, metal work, and electricity. Students are allowed to develop their creativity which may be put to practical use.

Students at GBHS learn the basics of farming and learn to handle fundamental agricultural problems. They study areas such as care of tools, rope making, welding and metal work.

Acquire Useful Skills in Business Classes

The business classes at GBHS give the students enrolled in them an opportunity to understand the world of business. Useful skills may be acquired through business subjects such as bookkeeping, shorthand, typing, office education and clerical practice. Students who are planning to attend college will find typing and notehand most valuable.

Distributive Education is a course which provides the students with actual on the job training. Having a job helps the student develop useful traits which prepare them for future business careers.

Math Department Has Two-Track Program

The GBHS math department has a two-track program—terminal and college preparatory. Students in some courses are divided into enriched, regular, and remedial classes. The modern concepts have been incorporated in much of the teaching.

Algebra I extends the concepts of sets, equations, inequalities, properties of real numbers, and graphing of linear equations. It also includes a short introduction to quadratic equations and square roots.

Algebra II extends understanding and use of the number system, formulas, equations, graphs, and numerical trig.

Geometry acquaints students with a mathematical system based upon deductive reasoning and the nature of proof.

Trigonometry entails the study of trig functions of angles and elaborates on concepts previously taught in algebra.

Advanced math is designed to introduce the three important branches of mathematics: analytic geometry, calculus, and statistics.

Senior Math is a course for the non-college bound who wish to review some fundamental principles of math and their applications.

The cooks at GBHS prepare nutritious and well-balanced meals for the 1100 students and faculty. Under the supervision of Mrs. Helen Hayes, the meals are well planned and served with efficiency.

The cooks use the Type A Lunch Pattern which is a complete lunch providing one-third of one day's nutritive requirements.

The part-time workers for the GBHS cafeteria are: Rose Gordon, LaDonna Denney, Elizabeth Ewing, Brona Love, Ruby Schultz, Dorothy Peterson, and Ruth Ward.

The class of 1969 enrolled in Great Bend High School with approximately 410 students. They found the following three years rewarding and satisfying. The class helped to spread school spirit and enthusiasm throughout the halls of GBHS and many of its members received distinguishing scholastic and athletic honors and awards.

As juniors the class presented the 3-act play "The Night of January 16." The students selected original dome shaped class rings and they were successful with their magazine sales which helped finance the Junior-Senior Prom "Aureo Latum Sine."

The seniors of 1969 highlighted their last year at GBHS with such projects as the 3-act play "Roar Like a Dove" and the selection of senior graduation announcements. Other activities were the annual senior picnic, senior week and the prom. The year was climaxed at commencement on May 27 when the 335 graduating seniors received their diplomas with Dr. Gustad, President of Fort Hays State College, as the speaker.

Class of '70

In the fall of 1968 approximately 400 Juniors entered the halls of Great Bend High School.

To earn money for their projects, the Juniors sold magazines and worked hard in the concession stands at both football and basketball games. They participated in the homecoming parade. The class was represented by Darcy Buehler and Debbie Nelson on the Varsity cheerleader squad and Karen Frazier and Marilyn Lawrence on the B-team squad.

Class rings were a highlight of the year. Then the treasured time of the Junior-Senior Prom came and all the hard work paid off in a night that will long be remembered.

The Junior Class Sponsors are Mr. Converse, chairman, Miss Biermann, Mrs. Caraway, Mrs. Carter, Mr. Cox, Mr. Gardner, Mr. Klein, Mr. Kruckenberg, Miss Lundstedt, Mr. MacDonald, Mrs. Marshall, Mr. Reece, Mr. Reed, Mrs. Riegel, and Mr. Turner.

During the Junior Class meeting much enthusiasm was shown while voting on bands for the Junior-Senior Prom.

Sophomores Number Over 400

Eager and excited, 412 sophomores entered GBHS for the 1968-69 school year.

Their enthusiasm was shown by their active involvement in school clubs, in earning money by running concession stands at games, and by electing the class officers in the fall.

Two sophomore girls were elected to the B-team cheerleading squad. Sherry Kruckenberg and Carol

Garrett, along with juniors, Marilyn Lawrence and Karen Frazier, could be seen leading their team on to victory.

The sponsors helping to guide the class through are Mrs. Scheuerman, chairman, Miss Unruh, Mr. Stoskopf, Mrs. Smith, Mr. Schultis, Mrs. Schmitt, Mr. Kline, Mrs. Jones, Mrs. Dickason, Mr. Burns, Mr. Brown, Mr. Brichacek, Mr. Boley, Mrs. Berscheidt, and Mr. Berry.

Upper Ten Percent Excel Scholastically

Students who qualify for the upper ten per cent have had to set high goals for themselves. The upper ten per cent is based on grades of the first seven semesters of high school.

The students who have qualified are announced soon after the first semester of their senior year. They receive their rewards and congratulations in the Recognitions Assembly in May.

Upper ten per cent student, Becky Weller, uses the copy machine to make a copy of reference material for her own use.

The microfilm machine has made it much easier to gain information from old magazine articles. Ruth Komarek and Tracy Townsley read material for history class.

The National Forensic League is a national honor society. When the season first began, Great Bend was thirty-eighth out of forty schools ranked in Kansas as Charter members of N.F.L. Now, before the year is out, Great Bend will be in the top ten.

The National League is set up on a points and degree system. Twenty-five points are awarded for a Degree of Merit. The participant receives his membership. Seventy-five points are awarded for a Degree of Honor. The participant then receives an honor key and emerald, which is his degree of distinction. One hundred-fifty points are awarded for a Degree of Excellence and a sapphire is awarded. Two-hundred points are given for a Degree of Distinction and a ruby is given.

Instructors receive one-tenth the points earned by their students and apply for membership and degrees in the regular manner. An instructor attaining 1,500 points is awarded a diamond for his N.F.L. key, a second diamond for 3,000 points, and a third for 6,000 points.

Choir Takes Tour to Wichita

The music department, under the direction of Kenneth Shaheen and Nelson Stump, began the year with the fall concert featuring the A Cappella Choir, Girls' Glee Clubs, and the Men's Glee Club.

"This Is Noel," the annual Christmas concert, was again presented by the A Cappella Choir. Included in the program were such songs as "Make We Joy," "Slumber Now Beloved Child," "Gloria in Excelsis" and "The Song of Christmas." The scenery, always a highlight of the concert, was a beautiful stained glass

Another project that the choir participated in was the annual caroling party. This year the carolers went to various homes of the faculty.

For the spring tour the choir traveled to Wichita University and McPherson College. All groups participated in the district competition at Dodge City.

Staff Sets New Records

The Panther Tales Staff, under the supervision of Miss Alice Unruh, is comprised of fifty-six students who have worked especially hard this year to produce a paper of interest. Besides enjoying the work, the students gain valuable experience in journalism and business management while producing the school paper.

This year past records were broken with several

eighteen-page issues. Every two weeks twelve-hundred papers are produced to keep the students informed on activities of Great Bend High School and Harrison and Roosevelt Junior High Schools.

The editors, who attended the annual Journalism Clinic in Hays, contributed a great deal to the success of Panther Tales.

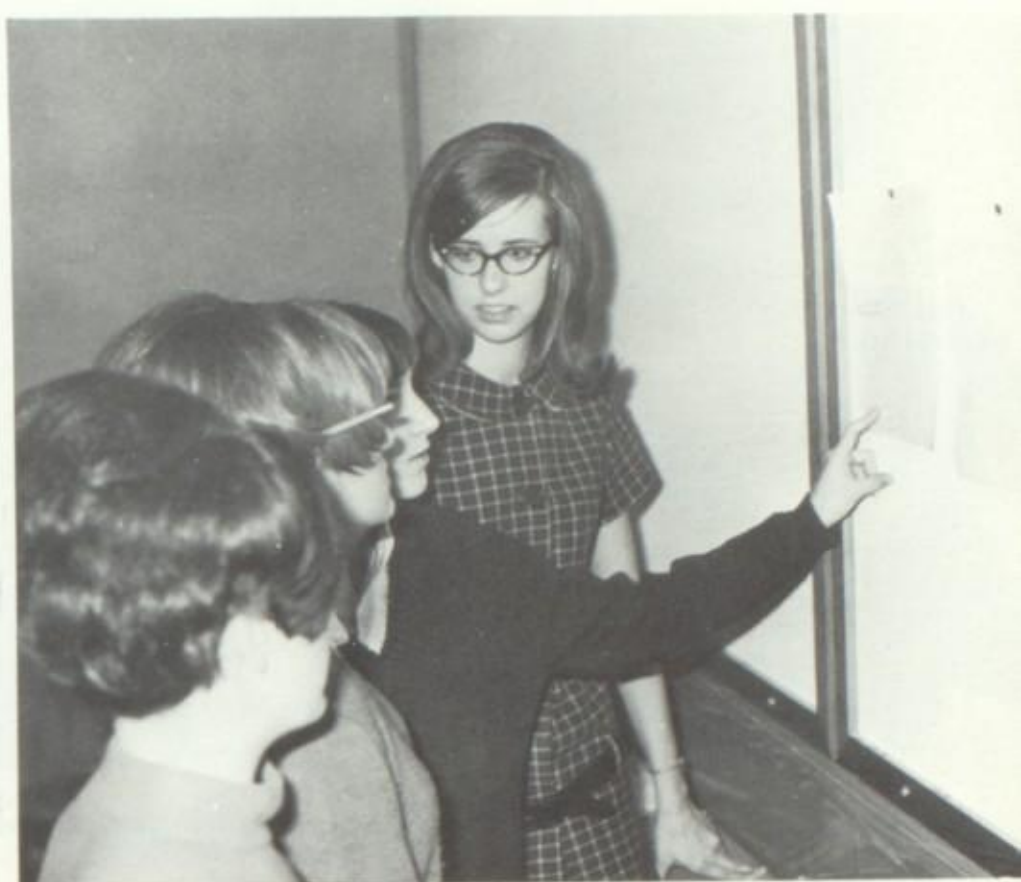

Panther Tales staff members arrived at 7:30 Friday mornings to prepare for sales.

Selling news papers to anxiously awaiting students are Norman Pommerenke and Tracy Townsley.

Making the weekly assignments for staff members is an important job for the editors, Nancy Lindholm, Jeanette Gerritzen, Jo Ann Nuss, Tracy Townsley, Mary Kline, and Janis Hickel.

Newspaper staff members Jeanette Gerritzen, Patti Lepej, Nancy Lindholm, and Cheryl Parrish check over the weekly assignment sheet.

Staff Chooses "Panther Power" as Theme

The 1968-69 Rhorea Staff of Great Bend High School consisted of twenty-seven senior journalists, who worked hand in hand with Miss Alice Unruh, the faculty advisor, to produce the best possible record of the 1968-69 year at GBHS.

After the selection of the editors and business managers, the Rhorea Staff decided on the theme, Panther Power. Then followed the daily routine of compiling and organizing information for the Rhorea.

Highlights of the year included the yearly

conference, supervised by Mr. Frank Wright and Mr. Charles Lang, representatives of the American Yearbook Company. The day proved to be most helpful to all yearbook journalists.

For the first time in the history of the yearbook the printing of the Rhoreas was done with the use of an IBM composer. This gave the journalists valuable experience in IBM training.

In the spring the completed Rhoreas were distributed to the 950 anxiously awaiting purchasers.

Debate Squad Brings Home Trophies

This year's debate team, under the direction of coach Richard Young, made a striking improvement as they qualified for regional competition for the first time in twelve years.

Mr. Young is satisfied with the results of the squad and has great expectations for the fifteen novice and two returning experienced debaters for next year. The topic for debate was Resolved: That the United

States should establish a system of compulsory service by all citizens.

The 1968-69 Great Bend Debate Team participated in 750 rounds and attended 27 tournaments. On January 3 and 4 Great Bend hosted the tenth annual tournament. They also assisted the Activities Association on January 18 by holding one of the four regional debate tournaments in the state.

The major projects of STUCO were the AFS program, a welcome to teachers, the sophomore orientation, hosting the regional Student Council Conference, sweatshirt and decal sales, maintenance of the food machine and patio benches, ushering for football and basketball games, taking tickets at "B" team football games, extending a welcome to visiting teams, and sponsoring the political campaign rally of 1968. They also conducted Student Council day in December and took a student opinion poll on questions of interest and controversy in GBHS. Projects for the second semester were re-emphasis of the AFS program, and problem areas determined from the student opinion poll.

The efforts of STUCO sponsors, Mr. Dryer, Mr Kline, and Miss Lundstedt, aided in the success of the club.

Students show interest in political affairs by their enthusiasm at the campaign rally.

B-Club Consists of Lettermen

B-Club is an honorary group consisting of boys who have earned junior varsity or varsity letters in high school. At the beginning of the school year, the boys sold season tickets to finance a number of small

projects.

The sponsors for the year were Ken Peterson, football coach, Jim Nebergall, basketball coach, and Jack Hague, track coach.

For boys to qualify for membership in B-Club, they must earn varsity or junior varsity letters. Here Mr. Carpenter hands out basketball letters to juniors Doug Thurman and Bob Marsh.

Coach Ken Peterson hands out football season tickets to Norman Pommerenke and Rick Hiss as a regular B-Club project.

Cheerleaders Promote School Spirit

1-2-3 PANTHER POWER! was the favorite cheer from Colleen Durand, Marcia Landers, Lexie Nebergall, Debbie Winter, Darcy Buehler and Debbie Nelson, Varsity Cheerleaders for 1968-69. In November, the girls attended Cheerleader Day at Kansas State University where they learned new cheers and performed with other cheerleaders at halftime of the college game.

The cheerleader uniforms for football season were black and red sweaters with black and red pleated skirts. During basketball season long sleeved turtle neck shirts and black vests were worn instead of the

sweaters.

B-team cheerleaders for the year were Karen Frazier, Marilyn Lawrence, Carol Garret and Sherry Kruckenberg. These girls lead cheers at B-team and sophomore games. Their uniforms for football season were black sweaters with panther head emblems. They changed to black vests, knee socks, white shirts and red ties with the regular skirt for the basketball season.

All of these girls played an important role in promoting school spirit and supporting the games.

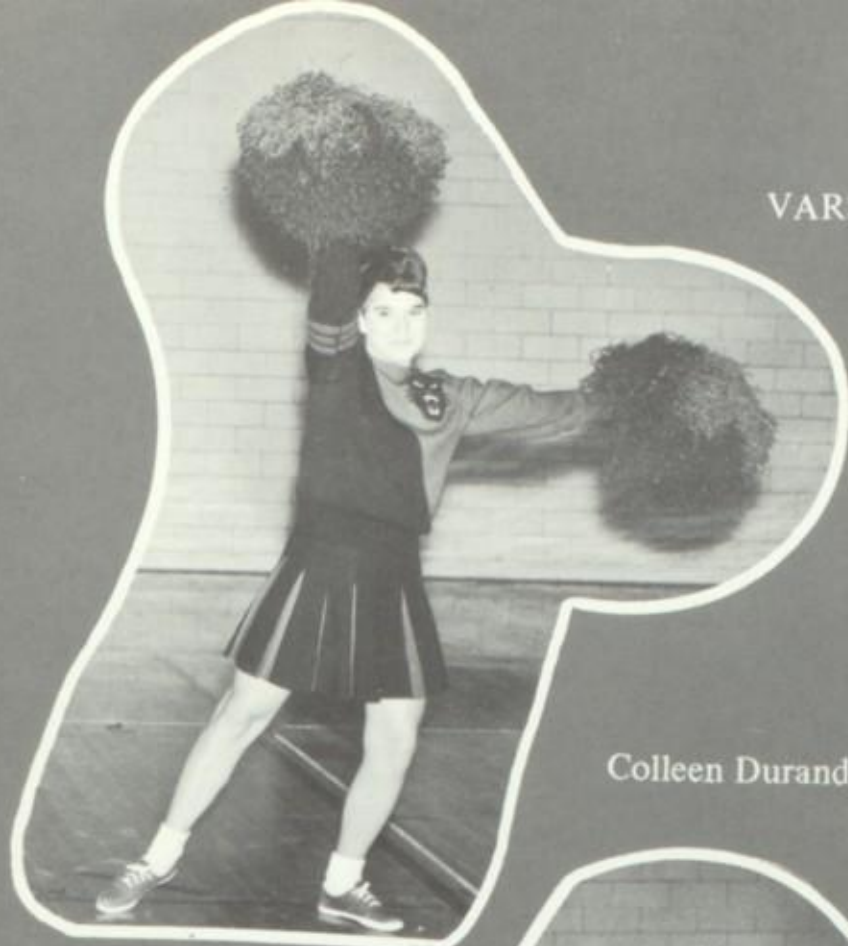

The enthusiastic B-team cheerleaders are Carol Garret, Karen Frazier, Sherry Kruckenberg, and Marilyn Lawrence.

Pep Club Yells Panther Power

Decorating the halls for homecoming festivities are Shirley Sloan and Jadean Essmiller.

The loudest cry of Panther Power came from the GBHS Pep Club. With a membership of 375 sophomore, junior and senior girls, the Pep Club was one of the largest clubs in the school. The girls wore red skirts and vests, black turtleneck shells, and black shoes. They cheered at the games to support the teams and to draw enthusiasm from the crowds.

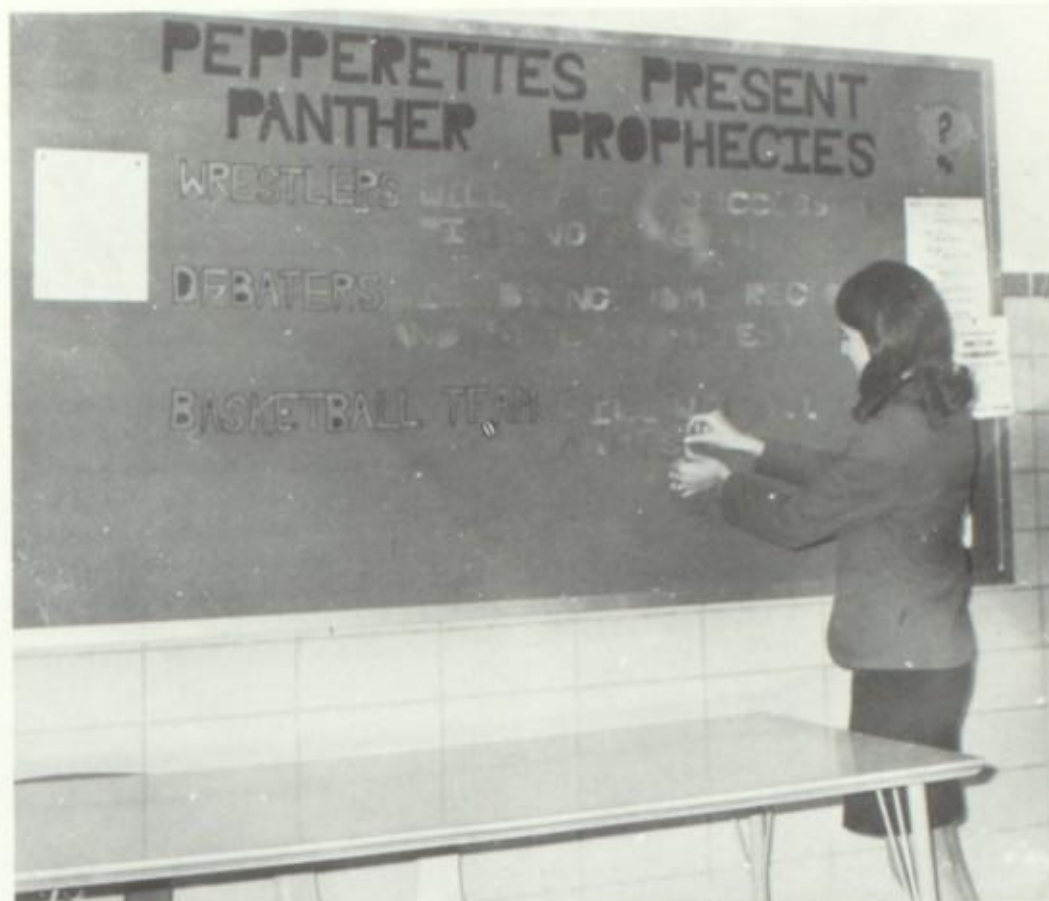

The main purpose of Pep Club is to support the athletic teams but members were busy with other activities too. For money raising projects, the girls sold homecoming mums in October and candy in December. A new project this year was the sale of season basketball tickets.

Pepperettes is a select group of 25 girls who have earned 35 hours or more. These girls help usher at games and help promote school spirit.

Sponsors for Pep Club this year were Miss Biermann and Mrs. Schmitt.

Michele Laudick, Becky Guesnier, and Mona Guesnier earn hours by decorating goal posts for football games.

Pepperette Sandi Cullen works on the bulletin board.

Kayettes are Largest Organization at GBHS

The GBHS Kayettes, the largest organization of the school, started off a busy year by having a surprise "Come As You Are" breakfast for the new sophomores. The membership drive, which ended with a membership of 425 girls, culminated with a coke party for all members. The organization was under the guidance of Mrs. Gunn and Mrs. Nebergall.

The organization sold holly and Christmas wreaths for the money-making project. Kayettes sent clothing, make-up, and jewelry to the Girls' Industrial School at Beloit for Christmas. The organization again supported an Indian girl through the Save the Children Federation and they sent money to Meals for Millions.

The Kayette board distributes holly from the record breaking sale.

Holly Ball is a Success

As a Community Service project, Spook Insurance was sold to the people of the community and to the students of GBHS. For a School Service project, the Kayettes supported a "Be Kind To Teachers Week." December 7 was the Christmas party for the teachers, and the Kayettes provided babysitting for the children of the faculty.

Hi-Y Stresses Good Sportsmanship

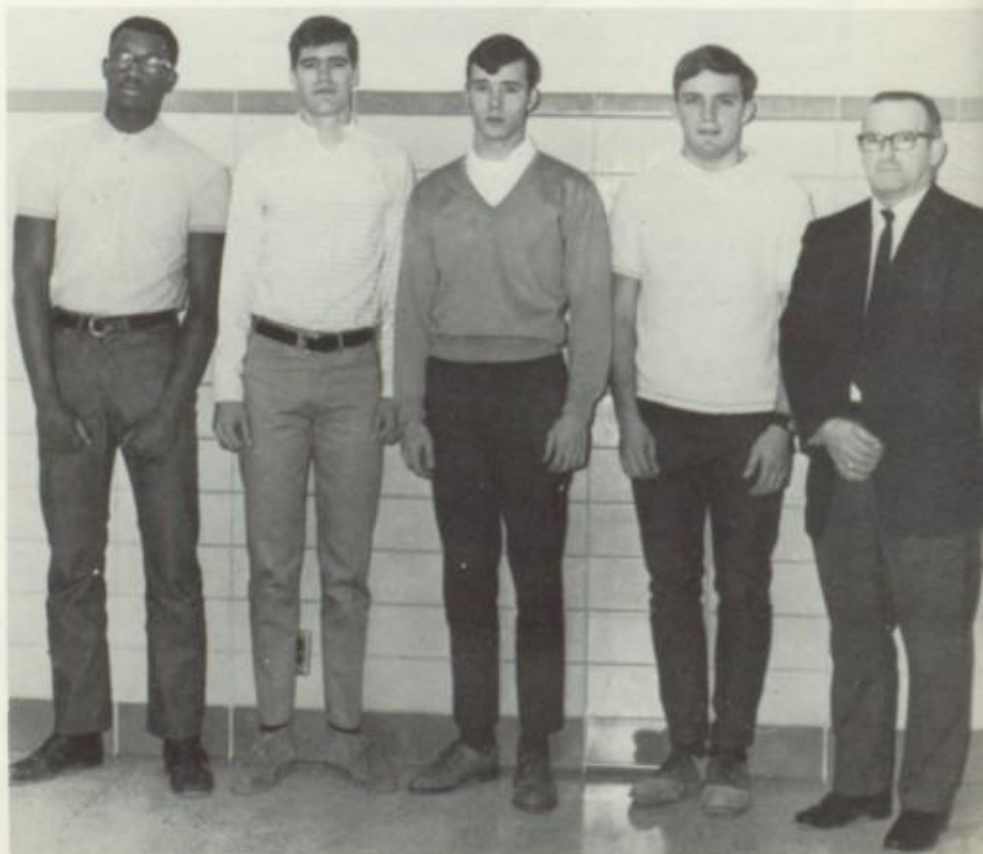

Hi-Y is an organization consisting of boys who possess the qualifications of clean speech, clean living, and good sportsmanship. The organization was established with the purpose of creating, maintaining, and extending throughout the home, school, and community high standards of Christian living.

During the Christmas season, the boys brought donations of various items to be given to a needy family. Throughout the remainder of the year, the club secured several speakers who spoke to the boys on such subjects as Christian character and good sportsmanship.

Hi-Y members, Donnie Puckett, Bob Draney, Roger Hammerschmidt, Darrell Schremmer, and president Craig Bryant pack can goods for a needy family at Christmas.

French Club Has Variety of Programs

With approximately 80 members, Le Cercle Francais, under the guidance of Mrs. Josephine Marshall, was divided into four committees: customs, culture, history, and current events.

Each committee was responsible for at least one program for the year. Other programs consisted of an outside speaker, a Christmas play, a film and a book review. One program was worked out in conjunction with the other two language clubs. The year ended with the annual spring picnic.

This summer the French Club hopefully plans to send several students to a French Camp on the K.U. campus with money raised from various projects.

Key Club Raises Money to Buy Panthers

Key Club, a junior branch of the Kiwanis Club, had as their goal this year, school, community, and national service, and were successful in achieving it.

This year, the eighty members of the Key Club were sponsored by Mr. Carpenter, who contributed many hours and deserves much credit.

One of the projects of the Key Club for this year included establishing a \$350 scholarship, with the help of the Kiwanis Club, for a student attending the Barton County Community Junior College. The Club also earned money to purchase two Black Panther mascots.

For entertainment, the Key Club sponsored such events as a hay-rack ride in the fall, and a spring dance, both of which proved to be fun for all.

Some of the money making projects of the Key Club this year included sponsoring the Don Cossack Chorus and the annual Kiwanis Pancake Feed in the spring, as well as the March of Dimes "dime line".

She Sharks Present Fantastic Show

She Sharks is an organization for select girls who are interested in synchronized swimming. The twenty-five girls, who meet after school, are under the direction of a new and enthusiastic sponsor, Mrs. Jane Ferguson.

The executive board, elected last year, is the first to enlist a constitution into the organization. This board includes: Shirley Sloan, President; Carolyn Rusco, Vice-president; Cathy Suellentrop, Secretary-Treasurer; Joanne Nuss and Rita Hammerschmidt, Choreographers.

Precision timing and precise execution of stunts are only two of the feats the girls had to conquer to perform the annual water ballet for the public March 10, 11, 13, and 14. This year's theme, "Fishes Night Out," was accented by enchanting music and extravagant costumes which added to the enjoyment of the show.

DE Expands Program

Distributive Education is a program in sales and marketing in which students receive On-the-job training in addition to classroom instruction. A DE student has two required vocational courses and is then placed in a business to gain work experience.

Now in its 16th year at GBHS the DE class has a new teacher, Mr. Chris Berry. Mr. Berry has introduced his students to a number of new and interesting projects including the sale of calendars, purchasing original blazers to wear during group activities, and the building of a float for the Christmas parade. The members also sell popcorn during the basketball games.

The goal of Distributive Education is to provide valuable and interesting classroom instruction and at the same time provide the student with actual job experience which will aid him in future employment.

In Appreciation of Miss Alice Unruh

For her many years of exceptional service to GBHS the Rhorea Staff would like to honor Miss Alice Unruh. Each year she accepts the vast responsibility of instructing and advising the Panther Tales and Rhorea staffs. She spends many long hours guiding these inexperienced journalism students in the proper techniques of journalism. Without her invaluable contribution, the formation of a student newspaper and yearbook would have been impossible. The impact of a dedicated teacher can never be measured.

So to you, Miss Unruh, the Rhorea Staff and GBHS say thanks.
